I am currently pursuing a Diploma student in Computer Engineering with a strong foundation in web development. Proficient in HTML, CSS, and JavaScript, I have hands-on experience creating responsive and user-friendly websites. Additionally, I possess a solid understanding of C programming and basic knowledge of Python and Java. My passion for coding and problem-solving drives me to continuously learn and apply new technologies. I am eager to bring my technical skills and creativity to a dynamic team through an internship opportunity in the web development field.
